## 1. *What happened?*

---

Describe what you experienced - things you saw or heard, any odors, temperature changes, and so on. Also note how you felt before, during, and after whatever happened.

## 2. *Where did it happen?*

---

Describe exactly where you were, and where the unusual activity seemed to be.

## 3. *When did it happen, and for how long?*

---

Include the date and time it happened, and when you noticed it. If it stopped suddenly, when was that, and what else happened around that time? Jot notes about the weather, if it was a full moon, an anniversary or holiday of some kind, etc.

## 4. *More notes*

---

Use the back of this page to note anything else that might be important. That includes anyone else who witnessed it, and their impressions. If this kind of thing has happened before, or something that reminds you of this, note that.
